Post-Discharge Transport + Care

ABOUT OUR SERVICES

Home Instead Senior Care® and Care Connection Transport Services are working together to provide the strategic use of non-medical home care and transportation to help seniors make safer, happier and more successful post-discharge transitions.

- ✓ Safe and timely transportation from the facility to the client's home.
- ✓ Immediate Personal care needs, i.e., bathing, dressing, grooming, mobility, eating, etc.
- ✓ Full in-home care consultation and needs assessment with professional recommendation for continued care.
- ✓ Scheduled transportation to follow up medical appointments

We work with surgery centers and hospitals like yours to support seniors and their desire to live healthy, independent lives at home.
